

Pribilof Evacuation Camp,
Funter, Alaska,
October 7, 1942

Mr. Edward D. Johnston, Sup't.,
U. S. Fish & Wildlife Service,
Funter, Alaska.

Dear Mr. Johnston:-

I wish to submit my resignation as Agent & Caretaker of the Pribilof Islands. It can take effect at any time to suit the convenience of the Bureau, but would like to leave Funter for Seattle on the next trip of the Penguin.

Will you please forward this on thru channels with your approval. I feel I cannot stay and watch a people I have grown somewhat attached to, over a period of years, thru a time of which I sincerely believe only a miracle can prevent a tragedy of sickness and cause extreme suffering to them.

Sincerely yours,
