Dear Mr. Johnson:

Mrs. Grover has been with us for some little time now and we have learned to think a great deal of her and to have considerable respect for her opinion.

She has talked so many times about Sophie Prokopiouf and her many good qualities, so we decided to see if arrangements could be made to bring her to the states to do house work for us. We would be willing to pay her \$25.00 a month with room and board.

We would be willing to wire you money for her bus and boat fare here and then Sophie could pay it back to us at \$5.00 a month. We would like to have her come down on the next boat if arrangements could possibly be made.

I remain respectfully yours,

Mildred Greenhagen.
