Dear Mrs. Greenhagen:

We have just received your letter regarding the employment of Sophia Prokopiou. Sophia Prokopiou is already filling a position in Juneau at a salary of \$50.00 per month with room and board. She expects to return to the Pribilof Islands when the emergency is over.

It is the policy of the Fish and Wildlife Service to refuse to allow Pribilof natives to accept work in the states.

Very truly yours,

Edward C. Johnston  
Superintendent.
